

Film Independent

Job Description

Graphic Design Intern

Job Description:

We're looking for a creative, self-motivated college student or recent graduate to participate in our internship program. As the Graphic Design Intern you'll be a crucial part of our team in this hands-on position with responsibilities like:

- Creating various marketing materials and print graphics
- Designing banner ads, email graphics and social media graphics
- Working on multiple projects simultaneously
- Creating quality deliverables in a fast-paced work environment
- Communicating and collaborating with the team to come up with design strategy

Requirements:

This internship is an excellent opportunity for a student or recent graduate with a focus in Graphic Design to gain real working experience and mentorship from an experienced senior designer. Applicants must be:

- Proficient in Adobe Creative Suite
- Detail oriented and well organized
- Able to work under tight deadlines
- Familiar with current design trends
- Interested in film and entertainment

If you are eager to learn, enjoy coming up with creative solutions to challenges, and want to get real-world design experience in the field of entertainment, please apply!

Interns should be available for a minimum of 20 hours a week starting in early September through February 2016. Candidate must be able to bring their own laptop with CS5 or later. The position is unpaid, but you'll gain invaluable experience.

To Apply

Please send your resume, a cover letter, and PDF examples of your work or link to your online portfolio by September 15 to jobs@filmindpendent.org.
